

## **INCLISIRAN**

*in-cliz-ih-ran*

### **What does it do?**

*Inclisiran* is used to lower cholesterol. This reduces your chance of having a stroke, heart attack, and other related problems.

### **Before you start**

- Tell your doctor if you are pregnant, planning to become pregnant, or breastfeeding.

### **How should you use it?**

*Inclisiran* is given as an injection under the skin on your stomach, thigh, or upper arm by a health professional.

### **What if you forget a dose?**

If you miss an appointment for your injection, contact your health professional as soon as possible.

### **Can you take other medicines?**

Tell your pharmacist or doctor about all medicines or treatments that you may be taking, including vitamins, herbal products or recreational drugs.

### **What side effects might you notice?**

Side Effects	Recommended action
Irritation or pain at injection site Cough	Tell your doctor if troublesome

If you notice any other effects, discuss them with your doctor or pharmacist.
